

# When the stakes are high...

## ...be ahead of the game

FOCUS BUSINESS SERVICES is an international corporate and financial service provider with fully fledged offices in Malta, Cyprus, Greece and the Seychelles.

Our group, which blends the expertise of qualified professionals, such as lawyers and accountants, with the experience of a regulated audit firm and an international tax consultancy practice, is geared to provide versatile and effective solutions.

We pride ourselves on providing a seamless one-stop shop for clients and are firmly committed to ensuring the highest level of integrity and competence to meet our clients' needs.

Our specialised Gaming Unit, can assist you in all aspects of Remote and Land-based Gaming, including the following services:

- Licensing requirements, application processing for any Gaming applications with the Malta gaming regulator at very competitive rates;
- Thorough and Effective Tax Planning to minimise taxation;
- Key Official, Directorships and Company Secretarial Services;
- Accountancy and / or Trusteeship Services;
- IT Contract Drafting;
- Copyright and Trademark Protection
