

# Your passport to the open sea

## YACHT REGISTRATION

An increasing number of pleasure yacht owners are reaping the full benefits of incentives when entering into Maltese Yacht Leasing Agreements. We can assist you in unlocking the true value of your craft and avail yourself of attractive fiscal and VAT measures, while you sail away in style.

**FOCUS BUSINESS SERVICES** is an international corporate and financial services provider with fully fledged offices in Malta, the UK, Cyprus, Greece and the Seychelles.

Our group, which blends the expertise of qualified professionals, such as lawyers and accountants, with the experience of a regulated audit firm and an international tax consultancy practice, is geared to provide versatile and effective solutions. We pride ourselves on providing a seamless one-stop shop for clients and are firmly committed to ensuring the highest level of integrity and competence to meet our clients' needs.

Our specialised Shipping Department can assist you with the following services:

- Advising on the fiscal and VAT incentives which apply to Yacht Leasing Agreements (effective VAT rate may be as low as 5.4% - the lowest in the EU), at a reasonable cost;
- Assistance in Yacht valuations and surveys;
- Drafting of Yacht Leasing Agreement;
- Liaising with VAT Authorities for the registration of the craft and the issuance of an EU VAT Paid Certificate;
- Legal, Corporate and Tax Consultancy
